Reference: FCC Docket Nos 96-45, 98-171, 90-571, 92-237, 99-200, 95-116, 98-170  
and NSD File No. L-00-72.

Dear FCC:

With my pre-paid service, I use less than \$20 per month for wireless service. A "standard" \$1 additional fee would be much more expensive for the minimal user, such as I am, and would hardly be noticed by large corporate users who probably spend over \$100 per month.

Thank you for your prompt attention to this matter. Please provide a written response indicating the status/resolution of this matter.

Very truly yours,

Dwight Brennfoerder
